

The Lucky Doves - Tech spec

1. Venue should advise is if a backline is provided otherwise musicians will be informed to bring their own.
2. Drummer will bring breakables if kit is provided by Venue
3. All musicians in band will use their own jack leads.
4. XLR leads, Mics, Mic stands, plug socket extension will be provided by Venue unless arranged otherwise.
5. All musicians use an in ear Monitor system

List of tech provided by Venue

- 4 Industry standard Vocal mics
- 3 x Mic stands
- All musicians have their own DI's and just require Xlr cables to connect instruments to venue audio equipment
- Drums mics(to venues/organisation required spec)
- Sm57 connection to Guitar amp
- Band uses IEM so will just require xld feeds to receivers.

Band positions and spec. in Page 2
